PROFESSIONAL PROFILE

- Certified teacher from the United Kingdom #0978398; www.gtcw.org.uk
- Additional certificate in Teaching English as a Foreign Language
- Experienced in teaching EAL; Primary and Secondary
- Five years teaching experience

An approachable, hardworking, highly organised and conscientious teacher. A strong skill set that identifies and nurtures students' potential. Possesses ability to consistently deliver dynamic and differentiated lessons to learners. Proactive in encouraging the use of new and innovative technologies through teaching. Developed a sound understanding of teaching methods, strategies and resources tailored for all learning needs. Proven excellent interpersonal and communication skills that develop and maintain relationships with pupils, parents and teachers. Recognises the importance of being flexible and positive within the school environment. Continuously motivated in striving for a consistency of excellence and committed to raising standards. Currently seeking an exciting opportunity to develop professionally.

KEY ACHIEVEMENTS

- Currently supporting and monitoring the implementation of the EAL Cambridge Bridging program
- Collaborative working between subject teachers and EAL teachers to implement specific goals and objectives for all EAL students. Creating individual learning plans for EAL learners
- Appointed Liaison Teacher to communicate learning objectives and expectations for pupils in Key Stage 2. Utilized strong interpersonal and communication skills to develop and manage relationships and deliver training sessions with feeder Primary school teachers. Experienced in supervising the transitional period of students learning from Primary to Secondary
- Designed Schemes of Work for Key Stage 3 curriculum. Improved teaching standards and learning resources and materials that resulted in a 38% increase in pass rate for GCSE in one academic year. This achievement was recognized during an Estyn Inspection
- Managed mixed ability classes and provided additional support to students with Special Educational Needs/Additional Learning Needs to achieve their target grades at GCSE
- Proactive in role as Form Tutor by addressing pastoral responsibilities such as behavioral issues. Both student attainment and attendance increased and all students successfully completed one week's work experience
- Organized and coordinated subject related field trips and extracurricular activities for 700 students and 50 teachers. Supervised and lead successful whole school events
